Aside from Regional participation, programs always prefer "in person", as it limits pre-meeting material dissemination. If you can't make it over, however, we'll provide call in info.

Hi Andrew,

I just spoke with Alex, and she had merely accepted as an ECOS placeholder. I will be the only staff member participating in the federalism consultation. I'd prefer to call in if there's conference call capability. Please advise!

Many thanks,
Lia

Hi Lia

I received an "accept" from Alex also. Will either of you be coming over for it?

Hi Andrew,

I plan to participate on behalf of ECOS in the May 18 federalism briefing on the forthcoming proposed regulation on financial responsibility for hard rock mining. Will a call in be possible?

Many thanks,
